Disclaimer

BPI will keep the most up to date version of this document posted at www.bpi.org. Prior to participating in any available service through BPI, check to ensure that you have based your decision to proceed on the most up-to-date information available. BPI reserves the right to modify documents prior to accepting any application.

A BPI GoldStar Contractor enjoys the following benefits:

- Free priority placement on BPI's contractor locator tool, found on [BPI's Consumer site](#) and [BPI's Industry Professional site](#)
- Free customizable marketing materials created by BPI specifically for GoldStar Contractors, available in the BPI GoldStar Contractor Account.
- Direct access to BPI Client Relations Representative (CRR)
- Special member discounts on SkillCat's technical training (HVAC, electrical, plumbing, etc.) and additional training opportunities as available.
- Guidance on finding technical training and CEU offerings for technical staff
- Three (3) \$100 rebates (up to \$300 total, per calendar year) to be used towards new certification exam fees, certification renewal fees, or conference fees for technical staff (eligible proof must be provided)
- 20% discount off Building Science Principles (BSP) reference guide and online exam for staff
- Free access for you and your team to two monthly webinars on business, quality management, and sales and marketing topics. Earn CEUs and participate in live Q&A with industry experts.
- Access to a library of past GoldStar webinars, providing Continuing Education Units (CEUs) for staff at no cost.

BPI GoldStar Contractor Program Obligations

Annual Fee: \$1,380 payable in full at time of application or through a \$115 monthly automatic recurring payment with a PayPal subscription. \$1,380 is based on the calendar year January through December; full payment will be prorated based on the month of application submission.

A BPI GoldStar Contractor must:

- Adhere to BPI's policies and procedures of the BPI GoldStar Contractor Program and to complete work in accordance with BPI Standards, where applicable
- Have at least one individual on staff with either BPI's Building Analyst, Building Analyst-Professional or Energy Auditor certification.
- Have a Customer Dispute Resolution Policy on file
- Demonstrate proof of licensing, bonding, and insurance as required by the state
- Provide BPI specific job information electronically upon request
- If required, agree to pay a standardized fee for in-field Quality Assurance inspections on per inspection basis*

Note: All contractor obligations must be completed in order to take advantage of the BPI GoldStar Contractor benefits.

*Only as required due to customer, program or other complaint submitted to BPI
